RUBBISH MANAGEMENT

SUMMARY

- Katherine Show Day falls on the third Friday of July each year.
- The Katherine & District Show Society has control of the Showgrounds from 2nd July.
- Preparation and setting up will occur throughout the Showgrounds during this period.
- Events on the main arena commence on the Tuesday prior to Show Day and continue through to Saturday evening.
- Friday and Saturday are the Show Days during which time there will be activities occurring throughout the entire Showgrounds.
- Packing up and departure of exhibitors and stall holders occurs predominantly on the Sunday with vacation of the grounds occurring by the Tuesday following Show Day.
- “KDSS” means the Katherine & District Show Society Incorporated.

EOI means Expression of Interest

- Contracts for Expressions of Interest may be withdrawn or not awarded at the discretion of KDSS.
- The successful contractor will not necessarily have the lowest price but will provide a value for money service that will comply with the standards expected of KDSS.
- Please attach any supporting documentation with your application.

REQUIREMENTS

- Contractors and staff, or a representative who will distribute the information to contracted staff, are required to attend our site induction process. This can be completed via our induction pack prior to site entry, including a site walk around inspection prior to the commencement of activities at the grounds.
- As part of the WHS requirements, all personnel must wear appropriate Hi Vis clothing, including closed in shoes, hats and protective gloves at all times. KDSS will not be responsible for injuries incurred during cleaning and removal of Rubbish from the Showgrounds.
- The Rubbish Removal Contractor is not expected to remove industrial waste (motors, roller doors etc). Traders are not permitted to put boxes etc in the 44-gallon drums. Industrial skips will be provided for their use. Please advise KDSS if traders are not abiding by this rule.
- Skip bins are hired and located around the grounds; the successful applicant will be informed of the location of the skips during induction. Contractor is welcome to contribute to the discussion regarding location of skips, all input must be through Event Manager.
- The successful contractor must use a small rigid or tipper type truck or a utility. Trailers are not permitted. Each vehicle must be fitted with a Yellow Rotating Warning Light.
- The successful Contractor will be required to supply proof of insurance cover in the form of a "Certificate of Currency". Minimum insurance coverage should be \$20,000,000. An agreement between the successful applicant (the Contractor) and KDSS will be entered into and KDSS shall then inform the Contractor of their nominated representatives and provide contact details. Contractors are to take instructions only from the nominated persons.
- All Contractors who will be utilising the services of a subcontractor in order to carry out this scope of works must make this clear in their EOI.
- The Katherine Town Council inspector will inspect the grounds and payment will be made subject to the inspector accepting the standard of cleanliness during the Show and on final clean up.
- The Contractor is to supply KDSS with the names and mobile telephone numbers of their onsite person in charge and the person who will be second in charge.
- The contractor is to supply a list of names of their volunteers no later than **Thursday 2 July 2026**.

Applications are to be received by 5.00 pm on Friday 27 February 2026, marked "Rubbish Removal".
