REMOVAL OF RUBBISH

Preamble

Katherine Show Day falls on the third Friday of July each year.

The Katherine & District Show Society has control of the Showgrounds from 2nd July. Preparation and setting up will occur throughout the Showgrounds during this period.

Events on the main arena commence on the Tuesday prior to Show day and continue through to Saturday evening. Friday and Saturday are the Show Days during which time there will be activities occurring throughout the entire Showgrounds.

Packing up and departure of exhibitors and stall holders occurs predominantly on the Sunday with vacation of the grounds occurring by the Tuesday following Show day.

“KDSS” means the Katherine & District Show Society Incorporated.

EOI means Expression of Interest

Contracts for Expressions of Interest may be withdrawn or not awarded at the discretion of KDSS.

The successful contractor will not necessarily have the lowest price but will provide a value for money service that will comply with the standards expected of KDSS. Please attach any supporting documentation with your application.

The showgrounds are to be kept clean and free of rubbish for the duration of the Show and in preparation for handover to the Katherine Town Council on completion of the Show for the purpose of maintaining maximum comfort and safety for the patrons of the Show and in accordance with Work Health and Safety requirements.

Waste Management & Recycling

The Katherine Town Council have adopted a waste management and recycling strategy. As a result the KDSS will have special bins for bottles and cans suitable for recycling and we are trying to get a not-for-profit organisation to accept this role. We will place three skips around the grounds for cardboard ONLY. There will also be bins for general waste.

The bin liners are to be 100% degradable such as the ones found here:
